## Women's Center of Jacksonville

The Rape Recovery Team (RRT) responds quickly and compassionately to survivors of sexual violence whether or not they have chosen to report the crime to police. Services are available to survivors of all genders in Duval, Nassau, and Baker Counties. Our approach to support is empowerment-based, providing access to information and resources so that survivors can make the choice they feel is best for them. Communications with RRT advocates are confidential.

Advocates will be present more in-depth information about RRT services, lead a discussion about consent, and answer any questions. For more information please visit: <http://womenscenterofjax.org/>. If you or someone you know has been sexually assaulted, support is available: 24 hour rape crisis hotline: 904-721-RAPE (7273)

## Batter's Intervention Program

Since 1981 the Hubbard House First Step program has offered a means for batterers to examine and change their behaviors and the belief systems supporting those behaviors. Programs are available for both men and women and are 26 weeks in length.

For immediate assistance, dial 911. If you need safe shelter or want to talk to someone, call our 24-hour hotline at (800) 500-1119 or (904) 354-3114 / TTY:(904) 354-3958.

*For more information about a workshop, please call Mrs. Ragan Summers at 904.470.8231 or email at [ragan.summers@ewc.edu](mailto:ragan.summers@ewc.edu).*
